

# DO YOU WANT TO CONDUCT YOUR OWN RESEARCH PROJECT IN A LEADING EUROPEAN UNIVERSITY?

Universitat  
Pompeu Fabra  
*Barcelona*

Universitat Pompeu Fabra (UPF) is looking for **top-class experienced researchers (ERs)** of any nationality to work under the supervision of a senior professor

The contract would be in the framework of a Marie Skłodowska-Curie Individual Fellowship (MSCA).

## MSCA FELLOWSHIPS

MSCA IF are mainly intended for very promising postdoctoral researchers right after or few years after completion of their PhD. Their goal is to **enhance the creative and innovative potential** of ERs wishing to diversify their individual competence in terms of skill acquisition through international and intersectoral mobility and advanced training.

The ER shall find a UPF researcher willing to supervise his/her work and jointly define the research project.

**SEPT  
12th**

**DEADLINE FOR  
APPLICATIONS**

# BE A UPF MSCA FELLOW!

## WHO CAN APPLY TO AN INDIVIDUAL FELLOWSHIP?

- Promising researchers from **any nationality**;
- Applicants must have a **doctoral degree or at least four years full-time research** experience by the call's deadline;
- **International mobility**: you shall not have lived in Spain more than 12 months during the 36 months before the call's deadline;
- **All research areas** can be funded.

## WHAT DOES IT COVER?

The MSCA IF grant provides an allowance to cover living, travel and family costs, as well as research, training and networking costs related to the project. Please contact us for more information.

## UPF SUPPORT

Researchers wishing to apply to a MSCA IF with the UPF as Host Institution, should **contact the UPF Research Office** at [projectes.recerca@upf.edu](mailto:projectes.recerca@upf.edu) (subject: MSCA IF application).

We will provide you with useful materials and explain you how to proceed during the whole application process.

UPF encourages candidates to attend the **UPF MSCA Info Day**.
